In season 2008 / 09 further changes to the club constitution was approved by the members, once again changing the committee structure. This new structure brought about the removal of the junior body from our constitution, ensuring the club took on the look and feel of one club, and that the future of the junior players were being treated the same as the seniors.

## Club Captain

The position of Club Captain was created in season 2006/07, with the view that players required more of a say in club matters. The role was created with a view that the Club Captain would represent all players in any issue the club may need to deal with. The Club Captain is also responsible for managing all disciplinary matters within the club.
